- Customised training programmes that are focussed on results and personally endorsed by elite athletes
- Bilingual coaching with nearly 20 years of domestic and international experience
- Tailored programmes to suit your duration of stay and budget
- Constructive feedback through on-snow daily video analysis and still photography
- Access to training on the same slopes as World Cup racers
- Racing opportunities in international youth events, FIS races and local European races
- Professional organisation and constant communication regarding schedules, upcoming race events, equipment, snow conditions and lots more
- Turn your dream into a reality and learn from the best – here at Stockman Sports we have a genuine passion for ski racing that you won't find anywhere else!

**Dominique Gislin**  
Swiss Ski Team

"To play golf with Grant was a unique experience. He fixed my swing and at the same time, found some major problems I was dealing with in my ski technique. It's definitely impressive to work with somebody as dedicated as Grant is."

3 x World Alpine Cup victories  
4 x World Alpine Cup podiums  
15 x Top ten finishes
